**STIPULATED MOTION FOR SIXTY (60) DAY EXTENSION OF TIME TO ANSWER
AND SIXTY (60) DAY EXTENSION OF DISCOVERY PERIOD**

Spin Concepts, Inc. (“Opposer”), and Diana Shishalovsky and Karina Shishalovsky (“Applicant”), by and through their attorneys, hereby request that the Board grant a 60-day extension of time for Applicant to file an Answer to the Consolidated Notice of Opposition. Since the Answer deadline, when extended, will be due after the currently scheduled date for discovery to open, the parties also request that all discovery and trial dates listed in the Board’s initial scheduling order also be extended.

The new deadlines as stipulated are as follows:

Deadline for Applicant’s Answer	March 15, 2011
Deadline for Discovery Conference:	April 14, 2011
Discovery Opens:	April 14, 2011
Initial Disclosures Due:	May 14, 2011
Expert Disclosures Due:	September 11, 2011
Discovery Closes:	October 11, 2011
Plaintiff’s Pretrial Disclosures:	November 25, 2011

Plaintiff's 30-day Trial Period Ends: January 9, 2012
Defendant's Pretrial Disclosures: January 24, 2012
Defendant's 30-day Trial Period Ends: March 9, 2012
Plaintiff's Rebuttal Disclosures: March 24, 2012
Plaintiff's 15-day Rebuttal Period Ends: April 23, 2012

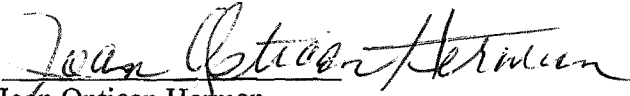

The parties have been in contact and are currently in settlement negotiations. The parties need additional time to continue settlement negotiations. In the most recent order granting the last Stipulated Extension Request, the parties have been requested to make a showing of good cause for any further extensions.

Applicant and Opposer have been in settlement negotiations, with Opposer's most recent settlement proposal being communicated to Applicant on January 11, 2011. The settlement negotiations have progressed to a general agreement on the primary settlement option to be pursued, which is an assignment of Applicant's mark and application to Opposer, with a license back to Applicant. The major terms which remain to be negotiated are the length of time of any such license back, as well as the geographic territory of such license. Applicant expects to have a response to Opposer's proposal within two (2) weeks. The parties expect that they will have a clear understanding of whether or not a mutually acceptable settlement to this opposition can be achieved before the expiration of the currently requested extension period.
